

## Organovo Announces One-for-Twenty Reverse Stock Split

August 17, 2020

SAN DIEGO, Aug. 17, 2020 (GLOBE NEWSWIRE) -- Organovo Holdings, Inc. (the "Company") (Nasdaq: ONVO) today announced that it filed a certificate of second amendment to its certificate of incorporation with the Secretary of State of the State of Delaware to effect a 1-for-20 reverse stock split of its common stock. The shares underlying the Company's outstanding options and restricted stock unit awards will also be adjusted accordingly. The reverse stock split will take effect at 5:00 pm (Eastern Time) on August 18, 2020, and the Company's common stock will open for trading on The Nasdaq Capital Market on August 19, 2020 on a post-split basis.

At the Company's Special Meeting of Stockholders held on March 26, 2020, the Company's stockholders approved a reverse stock split within a range of 1-for-20 and 1-for-40. The specific ratio of 1-for-20 was approved by the Company's Board of Directors.

The reverse stock split is intended to increase the per share trading price of the Company's common stock to satisfy the \$1.00 minimum bid price requirement for continued listing on The Nasdaq Capital Market. As a result of the reverse stock split, every 20 shares of the Company's common stock issued and outstanding prior to the opening of trading on August 19, 2020 will be consolidated into one issued and outstanding share, with no change in the nominal par value per share of \$0.001. No fractional shares are being issued in connection with the reverse stock split. Stockholders of record who would otherwise be entitled to receive a fractional share in connection with the reverse stock split will receive a cash payment in lieu thereof.

Trading of the Company's common stock on The Nasdaq Capital Market will continue, on a split-adjusted basis, with the opening of the markets on Wednesday, August 19, 2020, under the existing ticker symbol "ONVO" but with a new CUSIP number 68620A203. The reverse stock split reduces the number of shares of the Company's common stock outstanding from approximately 130.6 million pre-reverse stock split shares to approximately 6.5 million post-reverse stock split shares.

The Company has retained Continental Stock Transfer & Trust Company, Inc. ("Continental") to act as its exchange agent for the reverse stock split. Continental will provide stockholders of record as of the effective date of the reverse stock split instructions for the exchange of their certificates. Stockholders owning shares via a broker or other nominee will have their positions automatically adjusted to reflect the reverse stock split, subject to their brokers' particular processes, and will not be required to take any action in connection with the reverse stock split.
